

YOGA COOP OF MADISON

Dear students and members of the YCOM community,

In light of the current efforts globally and locally to prevent spreading COVID-19, we –the teachers and Board Members of the Yoga Co-op of Madison—have decided to temporarily close our yoga studio.

We want to be socially responsible and support measures intended to prevent the spread of the illness: adopting social distancing and strict hygiene and avoiding non-essential gatherings.

**All drop-in classes, series classes and workshops
are cancelled at this time.**

The validity of class passes and series will be automatically extended.

We will be providing updates here
about when we plan to resume classes.

Thank you for supporting the steps we are taking
to ensure everyone's safety and well-being.
